BUREAU OF RECLAMATION
Pacific Northwest Region
1150 North Curtis Road, Suite 100
Boise, Idaho 83706-1234

IN REPLY REFER TO:

May 22, 2006

To Whom It May Concern:

I am the facilities manager for the Bureau of Reclamation Regional office building located at 1150 N. Curtis Road, Boise, Idaho.

I have known of Alternative Office Services since inception of the business. Our office has worked with Ron Mespelt and his employees for a number of years. If we have questions about products or need someone to do system furniture configurations, we can always count on Alternative Office Services to provide responsive and good service.

Previously, Reclamation contracted with Alternative Office Services to do a major project. Reclamation is housed in a three story building, approximately 80,000 square feet. There are approximately 225 employees in the building that work in systems furniture cubicles. We needed to do interior painting and recarpeting of the building, which required the removal of everything from the space until painted and carpeted and then returning everything. Alternative Office Services was hired to do all the systems furniture tear downs, staging of the furniture, and set up of the furniture for the office building. This project was very successful and was completed ahead of schedule. Alternative Office Services was instrumental in the success of this project.

We have a great working rapport with Ron Mespelt and Alternative Office Services and would not hesitate to call on them at any time to help us out.

Sincerely,

Monica Bronson
Facilities Manager
