To Whom It May Concern:

It is my personal and professional pleasure to submit this letter of recommendation for Alternative Office Services (AOS).

The Boise District has built, furnished and opened three new elementary schools in the past two years. In each case, AOS has provided the installation service for nearly all the school furniture placed in the buildings. These schools opened on schedule with all furniture needs in place. AOS has provided outstanding service to our school district.

We have found the staff at AOS to be easy to work with and willing to what it takes to get the project completed to the satisfaction of the District.

I offer my strongest recommendation for their consideration.

Sincerely,

Scott Engum
Purchasing Supervisor
